

We Want to Partner with You

Join our student ambassador program and help us in Checking Hearts, Protecting Hearts & Saving Lives!

In partnering with The Peyton Walker Foundation, our goal is that **OUR** mission would become **YOUR** mission. Students are not advocating for Sudden Cardiac Arrest apart from us but are raising awareness about SCA with us. We want you to be an active participant in our efforts to check hearts, protect hearts & save lives.

With every partnership, comes specific duties, responsibilities and expectations that both parties must perform in order to advance the mission and achieve a common goal.

Partnership **Production**

- Volunteer for at least 2 events
- Attend meetings via zoom every 2 weeks
- Fundraise for The Beat Goes On Adventure Race
- Plan Healthy Heart Curriculum in-school assembly

Partnership **Perks**

- Become CPR/AED Certified (2-year certification)
- Fulfill community service hours.
- Enhance resume and receive letter of recommendation
- Receive Peyton Walker Foundation gear

Applications Due January 12th, 2024

*Student must be at least a sophomore in high school
